Who We Are

At Aviate, we understand government contracting and use our experience to provide effective, and timely solutions to the procurement challenges that face State and Federal agencies. Located in McClellan, CA (Sacramento), we have spent the last 10 years working with government agencies to complete thousands of contracts. We have provided more than 175 million dollars' worth of products to our clients as a manufacturer's authorized distributor. With a dedicated staff of 38 employees, our own warehousing facilities, and E-commerce portal, Aviate is the perfect way to fulfill your Small Business requirements with confidence.

Key Differentiators

24/7 Emergency Support with Aviate Enterprises, Inc.

In order to assist the government with its procurement needs, Aviate offers 24/7 emergency support for government operations. Our staff are available for any reason, day or night. We also maintain a 24 ft flatbed truck for emergency deliveries. If there is a Federal or State emergency, your agency can be assured that Aviate will be available to support your efforts until the crisis has ended.

Warehousing & Order Consolidation

Aviate has the ability to store, maintain, and consolidate large orders and ship materials worldwide on short notice. We are able to consolidate large orders from multiple vendors in our 8,000 square foot warehouse and ship them conveniently in a single order.

*Kittings and Mil-Spec packaging is also available upon request.

Take Advantage of E-commerce at Aviateinc.com

E-commerce with Aviate is live! We want you to have the best, which is why we partner with the best.
